iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The world needs a new kind of Christian church. Author Jon Post Windness proposes that this church will combine the life-changing piety of evangelical Protestantism with the modern epistemology and cosmology of mainline Protestantism. Manifesto for the Abundant Life Church presents the purposes and principles of this innovative doctrine. Taking on the role of reformer, Windness seeks to restructure Protestantism itself and believes that there are two fundamental problems in Protestantism today. The first is failure to facilitate abundant life, and the second is failure to hold reasonable beliefs. Through a series of essays, Windness provides answers to perplexing and difficult questions involving these issues, including what constitutes abundant life and if religion is simply a matter of the heart. He also takes an in-depth look at what comprises reasonable beliefs regarding: God's revelation Authority of the Bible and of the church Nature and attributes of God Miracles, morality, and ethics The problem of evil Windness presents the philosophical and theological underpinnings for an ideal, modern Christian church. Benefit from his wisdom and change your life and your house of worship with Manifesto for the Abundant Life Church.
