COMMUNICATING CHRIST IN A RELIGIOUS WORLD

Xulon Press, United States, 2009. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.You hear a knock at your door, and you notice through the window two bicycles parked in your driveway. Two clean-cut young men who appear to be conservative salesman or Christian seminary students dressed in white shirts, ties, and dress slacks wait outside. They inform you that they are members of the Church of Jesus Christ of Latter-day Saints, the Mormons. What do you say? The fact is that religious people are everywhere from the next door neighbor to the person sitting next to you on the plane. Some come from common, acceptable religious systems, while others appear extreme. How do you talk to these people and share the message of Christ? How do you even begin to prepare when so many different groups teach so many different doctrines? This book will help you prepare for these conversations. It is not about the teachings of religious groups; plenty of other books outline those teachings. This book explains how to communicate to those in religious systems the love of Christ without a heated debate. You will find Communicating Christ in a Religious World to be a powerful tool which will prepare you to share biblical truth with religious people! John Rogers has been in ministry for over thirty years, spending eighteen of those years as a missionary in an area of Utah that was ninety-five percent Mormon. The only other two options available were a Jehovah s Witness Kingdom Hall and a Hare Krishna compound. John, the author of several published works, currently serves as a Regional Coordinator...
