

## The Whole Equation: A History of Hollywood (Paperback)

Filesize: 4.17 MB

### **Reviews**

*Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.*

*(Trent Monahan)*

Little, Brown Book Group, United Kingdom, 2006. Paperback. Condition: New. Language: N/A. Brand New Book. A book that sees Hollywood as an idea, a trick, a religion even that swept the world, a book that knows what the bosses did, and why and how, but which also feels the impact on the mass audiences in the dark auditoriums. There isn't a book that explains - even at a basic level - how the business, the money, of pictures operates. THE WHOLE EQUATION takes the history and describes the grand panorama so that the reader knows how he or she fitted in, along with Bogart, the Marx Brothers and Daryl Zanuck. The business is the neglected aspect of the story, neglected because its truths threaten the alleged magic, the romance of the movies. Yet, the money is the true sexual secret of Hollywood, and David Thomson leaves the reader quite clear, that amid all the hype and pretension, we should always follow the money .
