

The Entire Earth and Sky: Views on Antarctica

By Leslie Carol Roberts

University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, The Entire Earth and Sky: Views on Antarctica, Leslie Carol Roberts, More than a distant continent, Antarctica is a land of the imagination, shaping and shaped for centuries by explorers, adventurers, scientists, and dreamers. The Entire Earth and Sky, a kaleidoscope of legends, stories, field notes, images, reports, history, letters, and research, renders an impression, both vast and microscopic, of the effect of human beings on the land we call Antarctica, and its effect on us. It balances the reality of the frigid outpost populated by a ragtag alliance of international researchers against the crystalline dreamscape of a continent at the bottom of the world. When Leslie Carol Roberts went to Antarctica for the first time with Greenpeace, she was hoping to save the world. In the twenty years since then, she has shifted to the no less difficult task of saving Antarctica itself, compiling memoirs and stories, learning the biology and geography of the icy land, and documenting her own journey. This book weaves the tragic and heroic tales of nineteenth-century exploration, interviews with scientists, and the author's personal observations into a remarkable collage that evokes the beauty and...
