While Yorktown was the scene of the final climactic battle of the American Revolution and Jamestown is remembered for being the first English settlement to survive in Virginia, Colonial Williamsburg is now best known as a bridge to the past. Williamsburg got its start as a fortified site, which was vitally necessary for English settlers to heavily outnumbered by nearby Native Americans, many of which were at times hostile. Known originally as Middle Plantation, the site served as the capital of the colony for much of the 18th century, and it bore witness to seminal events in the history of Revolutionary era America, including the Gunpowder Incident, which nearly coincided with the Battles of Lexington and Concord to the north. However, once the capital was again moved, Williamsburg lost much of its prominence, and by the end of the 19th century it was best known for hosting the College of William and Mary. As fate would have it, a major initiative during the 20th century would restore Williamsburg to a place of prominence, literally. In one of America's most ambitious building projects, efforts were undertaken to reconstruct the main parts of Colonial Williamsburg and restore it to a more original appearance, whether it was constructing new buildings...
