No wonder so few small groups evangelize! They ve no idea how wonderful and fulfilling it is to relate to people and show them the love of Christ over the course of time. The members of your groups must discover the power of organic or natural evangelism through relationships, discarding the misconceptions they currently hold about how people come to Christ. The weekend is followed by 5 weeks of teamwork (which is also included in this guidebook) to learn and experience this new way of net fishing for Christ. The resource contains instructions for the presenter and 3 hours of video instruction on DVD, hosted by Ralph Neighbour. This weekend resource will help your small group or cell group members understand how to relate to lost people and share their faith in a powerful new way that is not found in other evangelism programs you ve used in the past.
