Scribner Book Company, United States, 2002. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Throughout his long life, William Butler Yeats -- Irish writer and premier lyric poet in English in this century -- produced important works in every literary genre, works of astonishing range, energy, erudition, beauty, and skill. His early poetry is memorable and moving. His poems and plays of middle age address the human condition with language that has entered our vocabulary for cataclysmic personal and world events. The writings of his final years offer wisdom, courage, humor, and sheer technical virtuosity. T. S. These are supplemented by unobtrusive annotation and a chronology of the life. Yeats was a protean writer and thinker, and few writers so thoroughly reward a reader's efforts to essay the whole of their canon. This volume is an excellent place to begin that enterprise, to renew...
