

## Autonomy: the Cover Designs of Anarchy 1961-1970 (Paperback)

Filesize: 9.27 MB

### **Reviews**

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

DOWNLOAD

Hyphen Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Anarchy was a journal of ideas published in London through the 1960s. Its 118 issues provide a remarkable sample of dissenting and libertarian discussion in the English-speaking world, as it developed through those years. Prominent among the themes of the journal were education, the urban environment, work, workers self-organization, crime, and psychology, as well as anarchist traditions and history; attention was given to literature, theater, and cinema. Although its contributors were many and diverse, Anarchy was essentially the creation of one person, Colin Ward (1924-2010). With this journal, and throughout his work as a writer, editor, and activist, Ward proposed the idea that anarchist principles of mutual aid and autonomous organization outside a centralized state can be achieved here and now-and are already at work all around us. The title of this book-Autonomy-takes up a defining idea of anarchism, as well as using again the word that Ward had intended to be the title of his journal.
