This book is a superb manual for anyone who wants to get the best out of their Nikon D5200. It covers the basics really well, explaining each button and setting in detail. Then it goes into much more detail, explaining how to use the settings so that you can produce beautiful professional-level photography. The author, Jeremy Bayston, has been a picture editor for national newspapers for over 25 years and brings his wealth of experience to this manual. He has produced 15 specially made videos, which can be accessed by short-code or QR code which go into greater detail on effects, menus, modes, getting the best sound for movies, lens codes and much more. (In fact there are even more videos exclusively about the D5200 on his youtube channel - // This manual Helps you get a great feel for the camera, exploring the shooting modes, and effects Explains the settings to get better results from exposure, lighting and focus Tips and tricks, to help you master focusing, metering and flash Includes 30 pages on shooting video, with a whole chapter on sound Chapters on shooting better portraits, action shots, reportage and landscapes. The brilliant tips and tricks on metering, focusing, how to use the flash and how to shoot great movies have come from years of working with some of the best photographers in the industry. There are chapters on best equipment, lenses and setting up studio lights. He has also included chapters on shooting portraits, landscapes, action and reportage photography, again with great advice and tips. And for anyone who wants to use the...
