Summary: Through the ages, man has either sought to understand or destroy God for lack of understanding who God is. Some call the knowledge of God a mystery; that which can only be grasped by great or educated minds. Today, we have thousands of ancient manuscripts leaving signs, including the Holy Bible. There is a myriad of recorded testimony that paints many pictures. Yet scholars, theologians, and historians of every culture and religion argue as to their meaning and relevance. You may wonder how, if the professionals cannot agree, you are expected to make sense of it all? In Make a Joyful Noise: Searching for a Spiritual Path in a Material World, Chariss Walker uses liberal Biblical references to explain Spiritual Laws, their relevance in your life, and how to put them into practical use without destroying your present convictions. Terminology is irrelevant. God wants what you want. When you understand this, you will Make Your Own Joyful Noise!.
