GLASS BOOKS PTY LTD, Australia, 2005. Paperback. Book Condition: New. Reprint. 296 x 211 mm. Language: English . Brand New Book. Showcasing the stained glass designs of Jillian Sawyer -- from door panels, door surrounds, and feature windows to portholes, entrance ways, and restaurant windows -- this book highlights her unique ability to bring life and colour to all her subjects, despite the constraints of designing for this difficult medium. Eighty designs including flora, birdlife, witches, a laden grapevine, and a harlequin are detailed in line drawings, with numerous colour photos of the finished pieces. Quilters will appreciate the smooth transition of these patterns to their craft with each section of glass representing a section of fabric.
