Principles and Practice of Pediatric Oncology (Hardback)

By Philip A. Pizzo, David G. Poplack

Lippincott Williams and Wilkins, United States, 2015. Hardback. Condition: New. 7th edition. Language: English . Brand New Book. BMA Medical Book Awards 2016 : Oncology - Highly Commended The British Medical Association honored Principles and Practice of Pediatric Oncology, 7th Edition with this prestigious award. Now thoroughly updated to include new advances in the field, Principles and Practice of Pediatric Oncology, 7th Edition remains the gold standard text for the care and research of children with cancer. This authoritative reference is the single most comprehensive resource on the biology and genetics of childhood cancer as well as its diagnosis, multimodal treatment, as well as long-term management of young patients with cancer. Also addressed are a broad array of topics on the supportive and psychosocial aspects of care of children and families. Covering virtually every aspect of the breadth and depth of childhood cancer, this 7th Edition provides expert guidance on state-of-the-art, multidisciplinary care for children and families. Stay up to date with the most recent advances in the field with the contributions by new and returning contributors, including the perspective from patients and parents in the chapter titled The Other Side of the Bed. Chapters included on palliative care and...
