Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Tomahawk, Vol. 2: A Saturday Journal of Satire; January 4, 1868 Floating away from France he passes. Over Spain and Italy - two Countries once the pride of Europe. How changed are they now! Spain, land of decay - Italy, home of dishonesty: The first holding fast to the traditions of the Past, the last careless of the advent of the Future. Floating more quickly now - nay, ?ying, for tomahawk is nearing his native land, -1 - he hovers Over London. An empty Palace that should be full; a full House that might well be empty. A retired Queen who should be among her people; an active Statesman who should not refuse to retire into the bosom of his family. Place not patriotism Once more the sentiment forces itself upon the mind of tomahawk, - Oh, Land of the Brave and the Free, where gross injustice is tolerated, and Society has a code of rules, which manufactures chains for the hands and ruin for the soul! A little further to the West, and tomahawk passes over a spot of green. This is the land of Paddy -poor pig-headed, warm-hearted Paddy. See how pleased he looks. He has just seen our dear Princess Alexandra - that accounts for his smile and his loyalty. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
