Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Ophthalmic Lenses and Accessories: Lenses, Frames, Magnifiers and Readers The works Bausch Lomb Optical Company are located in the City of Rochester, State of New York, and cover on the St. Paul Street tract a floor space of about ten acres, with additional buildings occupying a land area of about nine acres on the river flats. The former buildings include the executive offices and main manufacturing plant, while those on the latter site are chiefly devoted to the moulding of optical glass into suitable forms, preparatory to grinding. The buildings themselves are designed to meet all requirements for the delicate operations involved in optical and mechanical works of precision. The rooms are large and airy, well lighted and heated by a modern blower system with a water cooling device which insures pure air of proper humidity. The plant is also provided with refrigerating machinery, and all machines and buildings are exceptionally well safeguarded for the protection of life and property. The equipment for the manufacture of the varied lines of optical instruments is of the...
