Strategic Book Publishing Rights Agency, LLC, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I Am a Squirmy Wormy is the simple story of how one little girl wiggles through the events of her day. In fact, she wiggles and squirms so much that her grandmother named this book after her! My granddaughter Bailey would not sit still while being changed and dressed. So I started calling her a Squirmy Wormy and made up short rhymes based on what she was doing. I would recite the rhyme while changing and dressing her, and it would settle her. I then expanded on the rhymes and it evolved into the book. This delightful children s story introduces such key words as right and left, and up and down. You likely will get some giggles as this little girl wiggles! Robin A. Knaggs is from Long Island, New York, and currently lives in Conway, South Carolina. She serves in the S.C. Army National Guard and is the single mother of one adult daughter. She also has one granddaughter, who was the inspiration for I Am a Squirmy Wormy. I am happy to know that I can give a copy to my granddaughter and let her know that she was the inspiration for it. It may show her that anything can be accomplished if you just try.
