Throughout the books, inspirational quotes and proverbs from Asia, related to the specific book topic, compliment the stunning images. "DOORS" shows the many styles in which people across the continent design and decorate passageways to their houses and buildings. Doors speak to our imagination as we fantasize about the lives they protect. The variety in Asia is without equal. Serene temples, magnificent forts and golden palaces, immaculate mansions, urban housing and nomadic tents. "Asia Unique" as a series opens the door to the richness of this fascinating continent; this title highlights the extraordinary diversity of entrances and passageways across Asia, captured in 132 stunning colour photographs and enriched by inspirational Asian quotes and related proverbs. It features 132 stunning & unique colour photographs by the finest photographers currently working in Asia, including Hans Kemp, Angelo Cavalli, Nana Chen, Michael Bierman, Gary Francis and many others.
