PASTORAL CARE OF CHILDREN AND YOUNG PEOPLE (PAPERBACK)

Quaker Books, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Rejoice in the presence of children and young people in your meeting and recognise the gifts they bring. Are you ready both to learn from them and to accept your responsibilities towards them? Pastoral care of children and young people has its own particular difficulties and rewards. Quaker meetings vary so much in size and character: how can Friends offer appropriate oversight and eldership? Within local worshipping groups, who bears the responsibility for safety, for nurturing the Spirit, for developing a friendly, inclusive community? Many - old and young - have contributed to this handbook for all committed to good oversight and eldership, whether appointed elders and overseers or sharing the work in a corporate system. Members of monthly meeting children and young people s committees will find useful guidance in this book, as will those who help with children s meetings and other resource co-ordinators, parents and children and young people Pastoral care of children and young people is the seventh in a series of booklets produced by the Committee on Eldership and oversight, offering information, support and guidance to all those responsible for oversight and eldership. The volumes together form a developing handbook on spiritual and pastoral care, based on the experience and insights of Quakers in Britain Yearly Meeting. The Committee on Eldership and Oversight offers opportunities for reflection, worship and learning more about pastoral care, in co-operation with Woodbrooke Quaker Study Centre, and organises a gathering at the time of Yearly meeting. The Committee is a means for sharing experience and good practice between Friends and between meetings.
