Reviews

The best pdf i at any time read. It is one of the most remarkable ebook we have read through. You wont really feel monotony at anytime of your own time (that's what catalogs are for concerning should you check with me).
(Reggie Streich)

IT SO HAPPENED THAT.

Zen Publications, Mumbai, 2000. Soft cover. Book Condition: New. 23 cms. 128pp. It is not an action. It is a happening. The daily talks with Ramesh Balsekar used to be an eloquent and delightful happening of the Teachings of pure Advaita (Non-duality). When the ego asked: How can the intellectual understanding which is a conceptual understanding become the truth for me Ramesh would explain: It can only be known from personal investigation and experience that no action is my action. The teaching can be of use only if it helps you to live your life in peace. Every conversation would be new and fresh, laced with deep insights and abundant humour. Ramesh, a Master of Advaita, taught for over twenty years, sharing with seekers how a sage lives his life and pointing to Totality with stories and anecdotes from life as it happens. With laughter, Ramesh himself would say: For those with an interest in the subject, it's the most beneficial entertainment in town.
