The Secret Universal Mind Meditation imparts the sacred truth spiritual masters have taught for centuries. This truth is real and powerful. It starts by changing your belief system, slowly, subtly and gently while you sleep. As you are lulled into blissful slumber, secret messages are whispered into your ears--first audibly, and then just below the level of consciousness. Over days and weeks to come, your conscious and your subconscious mind will accept the secret as true. Without knowing how or why, everything you need and desire will come to you through communing with the Universal Mind. With this program you will overcome limiting, outmoded beliefs that have hindered your ability to create the life you've always wanted. While theta and delta waves gently lull you to sleep, your mind is re-programmed with new knowledge and beliefs that unleash your power to create a new reality; a reality that fulfills your deepest needs and desires. Through nightly listening, your subconscious will accept the information it receives as true. When this happens, what you need and desire comes to you. And there is nothing you need to do except relax and listen. If you fall asleep while listening, that's even better; the messages are still absorbed into your subconscious. The results are profound. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Audio CD.
