Kids Can Press, Canada, 2015. Paperback. Condition: New. Language: English . Brand New Book. In this conclusion to the Elephants Never Forget graphic novel trilogy, big-hearted hero Otto and his parrot pal Crackers have landed in Hollywood, the final stop in their journey across America in search of their good friend Georgie the chimpanzee. They've been hot on Georgie's trail since he was abducted from Africa by the sinister Man with the Wooden Nose, and now they're sure they've finally found his location. Reaching him is going to be tough, however, with a dishonest acting agent, a shadowy villain, disgruntled wannabe animal actors and some elephant-rights activists, among others, regularly thwarting their plans. It seems that greed and the quest for fame can do awful things to folk? here in Tinseltown, as a wise old elephant tells Otto. Can true friendship possibly win in the end? This is an immensely entertaining adventure story, with fantastic artwork by award-winning illustrator Bill Slavin that is detailed, energetic and packed with visual humor throughout. It's a perfect fit for emerging and reluctant readers looking for a strong visual narrative to help them through a book. The hilarious storyline offers lots of sly, clever jokes driven by high-velocity action and a heartwarming and lovable main character. In fact, what helps set the books in this series apart is that, through all of the misadventures that get in his way, Otto's good nature and generosity remain constant, and his commitment to finding his friend never wavers, providing wonderful character education lessons on friendship, perseverance and teamwork.
