The bestselling author of *Investment Biker* is back from the ultimate road trip: a three-year drive around the world that would ultimately set the Guinness record for the longest continuous car journey. In *Adventure Capitalist*, legendary investor Jim Rogers, dubbed the Indiana Jones of finance by *Time* magazine, proves that the best way to profit from the global situation is to see the world mile by mile. Pakistan is on the verge of disintegrating. India, like many other large nations, will break into several countries. The Euro is doomed to fail. There are fortunes to be made...
