iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After dating several good-looking men with serious deficiencies, Sherry Johnson, the Executive Director of a transitional housing program, vows to leave the pretty-boys alone. That is until she encounters generous, kind hearted Keith Blair, whose family owns a chain of sporting goods stores. Keith admittedly has no interest in serious, long-term relationships and only wants a long-term fling with Sherry who rejects his advances. However, after several futile attempts to resist each other, the couple marries. Initially, they seem blissfully in love with a fairytale life until Keith s deficiencies are revealed and they separate, leaving stubborn and proud Sherry almost as helpless as the people she serves. Upon discovering Sherry s pregnancy, Keith threatens to fight her for custody unless she moves back in with him until she gives birth; all the while insisting that it was for the sake of his child. Can this pretty-boy overcome his issues in time to salvage his family? Or should Sherry opt for the ordinary fellows?.
