

E-Book Writing and My Search for Inspiration (Paperback)

By James Nugent

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I was working on my 80th e-book and it was not going well. I had just abandoned a third thousand-word draft, and I could not sustain a coherent story line that was interesting. I was stuck and I needed insight and inspiration. That evening I was talking to a friend who asked me how I get my ideas for writing. I joked and said it just comes to me but recently I have nothing. In fact, I had been struggling for three days. There were three days of vacation for which I had nothing to show. The conversation caused me to think about the process which had inspired 79 books. I began to realize there are several ways I get the inspiration to write. I took a deep breath and let it out slowly. I was back in the writing mode and it would be easy to explore and share this new topic.
