## JUST THREE MINUTES, PLEASE: THINKING OUT LOUD ON PUBLIC RADIO (PAPERBACK)

West Virginia University Press, United States, 2014. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. What s wrong with the contemporary American medical system? What does it mean when a state s democratic presidential primary casts 40 of its votes for a felon incarcerated in another state? What s so bad about teaching by PowerPoint? What is truly the dirtiest word in America?These are just a few of the engaging and controversial issues that Michael Blumenthal, poet, novelist, essayist, and law professor, tackles in this collection of poignant essays commissioned by West Virginia Public Radio. In these brief essays, Blumenthal provides unconventional insights into our contemporary political, educational, and social systems, challenging us to look beyond the headlines to the psychological and sociological realities that underlie our conventional thinking. As a widely published poet and novelist, Blumenthal brings along a lawyer s analytical ability with his literary sensibility, effortlessly facilitating a distinction between the cliches of today s pallid political discourse and the deeper realities that lie beneath. This collection will captivate and provoke those with an interest in literature, politics, law, and the unwritten rules of our social and political engagements.
