

Code Name Sanford (Paperback)

By George M James

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I often warn in GMJ books about the threat and menace of penetration agents (radicals) inside Western Intelligence Agencies. This is something that will bite the West in the years to come and suppressed for political reasons. In the previous book, Code Name Odette, GMJ 8, we took a hard look at cyphers and codes, explaining to you the difference between the two as well as the history of cyphers. More importantly, we warned that according to the Al-Qaeda Manual, found on the laptops of the London Tube bombers (the 2005 attack), that hostile penetration is taking place. I also said that the Western Agencies are not vetting new members properly, they are too politically correct. The reasons the Western Spymasters gave for their LGBT views are numerous and all to do with human rights and non-discrimination. Whatever your personal opinion may be on gays and lesbians in general, I look at this aspect only from a counterterrorism and counter-espionage view, not religious, not personal but practical. In Code Name Moonlight, GMJ 29, I demolished those very arguments. In the real...
