Charisma House, United States, 2014. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. We know God s plans and timing are perfect--but what do we do in the mean time? Every year thousands of people attend conferences and church services hoping for a miracle. They are full of faith in Jesus and His power to heal and provide. Many are in desperate circumstances, and many leave the meeting without any apparent change, even after receiving personal ministry from brothers and sisters who pray with deep conviction and compassion. Authors Mark and Tammy Endres know that feeling well. Though Mark was born without a functioning hand, they ve received the message over and over that God s plan is for complete healing. In When Heaven Seems Silent they share the lessons they have learned as they wait--lessons that have forever changed their perspective of God and how He works in the lives of His children, including how to hear God s voice, how to overcome disappointment, how to wait without offense, how to face your emotions and deal with them, and more. Though their circumstances are unique, what they have learned is applicable to everyone who is waiting on God.
