Fundación José Antonio Fernández de Castro, MADRID, 2009. Hard Cover - Tela. Book Condition: New. Dust Jacket Condition: New. This monumental edition of one of the most extensive works of the Middle Ages is now published COMPLETE, for the first time in 800 years. It includes six parts, published in 5 boxed two-volume sets, each with a specific ISBN for the boxed two volume set. Alfonso X el Sabio engaged in writing a complete history of the world, mostly paraphrasing the Bible, but including also material from other know sources. His sixth part, unfinished and rather brief, brings the work up to the birth of Christ. This volume is part of the editions of Spanish classical authors from the Middle Ages to contemporary times, from Alfonso X el Sabio and Gonzalo de Berceo to Miguel de Unamuno. Most volumes are illustrated. Standing orders are also welcome. This is now the most extensive standard, uniform edition of classical authors in Spanish, scheduled to have over 500 titles. Important note: A two volume set of the Primera parte was published in 2001 with the ISBN: 978-84-89794-41-2 for the two vol. set. With the publication of the complete work in 2009, this initial set was again reedited significantly, with considerably more extensive introductions and critical material, and in a uniform format with all the other boxed parts. Those who acquired the initial Primera Parte (2001) may want to consider to acquire the current version, in order to have a uniform set, as well as Primera Parte with the more extensive critical apparatus. *** Este tomo forma parte de las ediciones de autores españoles desde la Edad Media hasta el Siglo XX, desde Algonso X el Sabio y Berceo hasta Miguel de Unamuno. Presentan sets con volúmenes de obras completas de alta calidad y...
