America Star Books, United States, 2004. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book. The Age of Adolescence is a collection of treasured poems written to visualize many experiences seen from youth to adulthood. This book will be a grand connection to others, who have very similar situations such as being in love, heartbreaks, sadness, friendships, and so on. MaryAnn describes her poems as artistic. Each has a realistic truth about the way of life. These poems will help youth and perhaps others deal with certain things which they are going through.
