Createspace, United States, 2011. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Mankind has walked alone in separation for many years, in fear, pain and suffering, with devastating effects on the Earth, Nature and other kingdoms. animal, plant and mineral. Earth s Call to Mankind is a plea from the natural world for us to listen, take responsibility and change the way we live, before it is too late. Love Essential 4 (L.E.4) is a wakeup call to remind everyone that they are far more than just their physical body. L.E.4 is designed to put the reader into a state of awareness, where they can access their greatest potential through CHOICE, dissolving habits, and belief systems that are undermining and stopping them from fulfilling their goals, desires, and passions and restricting them from experiencing true peace and happiness. The L.E.4 model will highlight how intricately mankind is connected to everyone and everything, and that what one does on all levels affects the WHOLE! - Nature and the Earth included. It will assist the reader in overcoming their greatest challenges; igniting the reality that nature is our greatest teacher and is there to help all of us open up to our higher self. The L.E.4 principles are simple, natural, powerful, and essential. Four daily steps are all it takes to allow the true possibility of living a life without pain and suffering but in love and unity with all life. L.E.4 represents true happiness; life itself; energy/consciousness/life; the essentials: bodies - kingdoms - elements - seasons; and survival: sun - oxygen - food - water. The book takes the reader through a self-evaluation model that allows one to evaluate where they are now and to set goals as to where they would like...
