STURGEON FISHES

Condition: New. Publisher/Verlag: Springer, Berlin | Developmental Biology and Aquaculture | This book is the first comprehensive description of development of the Acipenserid fish published in the English language. It contains the results of more than 40 years of studies by the authors and their colleagues. My own life in science has been intimately related both with the authors and the fish, which are the subject of this book. Therefore, it gives me a great pleasure to present to...
