Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE ART OF WORSHIP

DOWNLOAD

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Worship is not a complicated concept but we (the Church) attach complications and misguided ideas to it, and that is why we are not effective. We focus more on presentation and entertainment than we do on God. We focus on programs and schedules rather than a free move of the Holy Spirit. We value repetition and traditions more than we value the soul of another human being. Comfort has become our god. But if we could just get back to basics, if we could truly worship, there would be no stopping the move of God. True worshipers understand that praise and adoration of God doesn't just happen inside of church. Worship doesn't just happen when the choir starts singing it comes from within us when we willingly and truly love God. It spills out into every aspect of their lives and they are filled with the utmost joy. Within this book you will discover what worship means to a hand full of people and how different lives are with and without a worshiping heart.
