Al: though you may not see into these just as I do, I warn you at the begin ning, not to condemn any sentence with which you may not be pleased, until you study thoroughly this entire pamphlet. Then you will see deeper also into the causes, and better understand every sentence in connexion with the whole; and you will come nearer to union with me and with those Invisible Agents by whom I am assisted and directed for the fulfilment of the grandest Promises to mankind - and better comprehend and digest the contents of this pamphlet.
