TURTLES IN OUR WAKE (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Most people at some point long to escape - from the weather, the commute, the routine. Sailing off in a forty-foot boat called Voyager comes at a price, however. Indeed, for David and Sandra Clayton it meant selling their house and possessions with a lifetime s collection of memories and emotions attached to them. But the result proved life-enhancing. With her eye for detail and vivid descriptions, Sandra carries the reader with her through some of the Mediterranean s loveliest islands. Charmed by tranquil anchorages, ancient harbours and the people they meet, they also develop a fascination with the sea and its wildlife. And, whilst questioning the things we value and the nature of happiness, this book reveals the growing and sometimes amusing inter-dependence of two people alone at sea. This is the sequel to the popular Dolphins under my Bed, which charted Sandra and David s first long journey: a 2,000-mile voyage from England, down the Atlantic coast and into the warm waters of the Mediterranean.
