Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Detective Reggie Harper is a man constantly flirting with the end of his rope. From his youth in upstate New York, through his early adult life and into his golden years, there has been no shortage of hard lessons both learned and taught. No shortage of heartache and pain. However, through it all, he has had anchors that have helped him keep his rage at bay. Friends and family who provided him with love, hope, joy, and understanding. Loved ones who acted as beacons to guide him through his own inner darkness. Not all of Reggie Harper s stories deal with a case. Not all of his stories have a perp. Not all of his stories end with someone in a cage. A man can t always be a bull in a China shop, after all. *This book contains short stories released before and after Bully For You as well as two new, exclusive stories and previews of the upcoming books Teenage Female and God Bless The Girl.
