BASIC JUDAISM (PAPERBACK)

To get **Basic Judaism (Paperback)** eBook, make sure you refer to the button below and download the document or have access to other information which might be relevant to BASIC JUDAISM (PAPERBACK) book.

Elsevier Australia, Australia, 1965. Paperback. Condition: New. Harvest. Language: English . Brand New Book. Concise and elegant, this is a book about the Jewish religion - not about the Jewish culture or Zionism, but about those beliefs, ideals, and practices that make up the historic Jewish faith. Including both the modernist and the traditionalist view in his exploration, Rabbi Steinberg discusses the Torah, what Judaism says about God and the relationship, and what exists in the Kingdom of God. He also talks about the laws that define Judaism, the practices and rituals that sustain it, and the synagogue and the rabbinate that support it. For all students of Judaism - be they practicing Jews, uncommitted Jews, or curious non-Jews - Rabbi Steinberg offers a brilliant chance to understand what the Jewish faith is, why it has elicited such intense devotion, and why it remains such a mighty force in the lives of its believers and, beyond them, the world.
