Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Finding Hope in the Darkness is an honest, courageous, and at times, heart-wrenching account of one woman s struggle to do what s right against insurmountable odds, stress and at a great personal cost to herself and her family. Readers will be reminded that the trials and tribulations we all go through as individuals are rarely contained to ourselves. In Chris s case, many of the challenges and decisions she made affected hundreds of people, if not more. The road she chose was stressful, lonely and frightening. In addition to disclosing information about her experience at a bio-tech company, this story also gives readers details much of her personal life including her childhood, familial and cultural influences, professional successes and failures as a small business owner. Throughout my life, I had been repeatedly challenged both physically and emotionally. My strength lies in my ability to stand strong and fight for what s right, no matter what. Never give up! I believe there is always hope and a light at the end of the tunnel. Ultimately, this book is about faith, without it I would not be here today.
