Condition: New. The nineteenth century is a period of stunning philosophical originality, characterised by radical engagement with the emerging human sciences. Often overshadowed by twentieth-century philosophy that sought to reject some of its central tenets, the philosophers of the nineteenth century have re-emerged as profoundly important figures. In this work, leading scholars examine and assess the central topics, themes and philosophers of the nineteenth century, presenting a comprehensive picture of the period in a single volume: German Idealism; philosophy as...
