Loyola Press, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Teaching the Catholic faith can be quite a challenge if you lack an adequate understanding of the Catholic faith yourself. And given the fact that the Catechism of the Catholic Church is over 900 pages in length, it's no wonder that Catholics struggle to comprehend their faith. A Well-Built Faith --creatively developed around a construction theme--makes it easy for Catholics to know what they believe and to feel confident in sharing those beliefs. This 18-chapter book by master teacher Joe Paprocki follows the structure of the four pillars of the Catechism of the Catholic Church (Creed, Sacraments, Morality, and Prayer), making it a wonderful resource for learning about and teaching the Catholic faith. Highly informative and very fun at the same time, A Well-Built Faith is a must-have tool for developing the Catholic faith.
