Reviews

*The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).
(Ernest Berгнаum)*

THE WINE QUEEN LOVE, ROMANCE, AND A WOMANS QUEST FOR SUCCESS IN THE CALIFORNIA WINE INDUSTRY

Orchid Springs Publishing, LLC. Paperback. Condition: New. 404 pages. Dimensions: 8.5in. x 5.5in. x 1.0in. Ann Robinson, the main character, is orphaned at the age of eight and sent to live with her Uncle Dave and mean-spirited, manipulative Aunt Harriett. Ann is smart and determined, works hard in school, and goes to college. While working as a summer intern, she becomes engaged to a doctor. But after she catches him cheating on her, disillusioned, she ends the engagement and stops dating. Ann graduates at the top of her class with a degree in economics, and accepts a job as a sales manager. When she sees Ray Collins presenting a paper at professional meetings, she becomes infatuated with him. But she learns that he is married with a family, although his marriage is troubled. Ann starts dating again, but she can't get Ray off of her mind, and ultimately decides that if she can't have Ray, then she'll never get married. She goes back to school, gets her masters degree, and climbs the corporate ladder at the Global Soft Drink Company. Ray's marriage finally ends, and when he and Ann go on their first date, they fall deeply in love, have an incredibly romantic courtship, and get married. Ann is devastated when their marriage comes to an unexpected and abrupt end. She accepts a position as the chief financial officer for the Columbia Creek Winery, and moves to Napa, California. With the help of an equity investment from the Global Soft Drink Company, Ann buys the winery. She subsequently makes wines and develops new wine blends that become very popular and gain international recognition. Sales soar and she grows Columbia Creek Winery into the largest wine company in the world. Praise for the Wine Queen: The Wine Queen is a very interesting book...
