Searching Finance Ltd, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Damon s book provides a timely insight into the power of personal debt to not just make life a daily struggle of the public but do long term damage to the future our country. He matches detailed analysis with a passionate call for action that many will find compelling Stella Creasy MP This is a timely analysis of the growth in personal debt and a passionate plea for action. Few people understand the working of credit markets better than Damon and his proposals for effective regulation deserve serious attention. Paul Blomfield MP Damon is one of those rare people who is able to combine a social policy researchers attention to detail with a campaigners zeal and passion to make change happen. The fact that he has managed to sustain this work for more than a decade, even when it has often meant swimming against the prevailing opinion of the times, is remarkable. Not only that, his analysis of the problems and solutions to Britain s personal debt crisis is always insightful, and almost always right! Niall Cooper director Church Action on Poverty Damon Gibbons has campaigned over many years for fair lending at a reasonable price to low income households. From doorstep lending to payday loans he has challenged established ideas and called for a cap on costs - a policy now endorsed by the Government. Paul Lewis, journalist and broadcaster About the book We are living in a period of great unrest. What is commonly regarded as starting as a credit crunch in 2007 became a full blown financial crisis the following year causing the deepest global downturn in recent history . Across Europe, rising insolvencies and unemployment have...
