Reviews

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

DEFECTION GAMES

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Covert CIA agent Dan Gordon is used to sleeping with one eye open, but when his new assignment lands him in the dangerous crosshairs of international clandestine warfare, subterfuge reaches a whole new level. Gordon s latest task is to rendezvous with a high-ranking Iranian General integral to the country s nuclear weapons program who plans to defect with a trove of state secrets, but when the general doesn t show the night ends in a maelstrom of confusion and gunfire, leaving Dan bruised, bloodied, and with more questions than answers. As a former Mossad-agent-turned-lawyer, Dan knows he can never fully trust those around him, but it quickly becomes clear that this mission is not what it seems and he finds himself questioning his own superiors. With fears about Iran s nuclear armament growing by the day and Dan embroiled in a treachery that may extend all the way from Tehran to Washington, this defection looks to be the most dangerous game of all.
